

DAILY, EXCEPT SUNDAY.

ROSSER & MCCARTHY,
Proprietors.

TUESDAY EVENING AUGUST 3, 1886.

We are here to stay.

KENTUCKY has fifteen Republican newspapers.

Some of the Republican nominees repudiated their party and came out at the last moment as "the people's candidate." The sad but true.

We are living under a Democratic administration, and are prospering. Times are better than they were a year ago. During the first six months of this year, there was a few more than 5,100 failures with liabilities amounting to over \$50,400,000, as compared with 6,004 failures and liabilities of \$74,700,000 for a similar period in last year.

This following are the rates of commission now charged for money orders:

On orders not exceeding \$5.....	5 cents.
On orders not exceeding 10.....	8 cents.
Over 10 and not exceeding 15.....	10 cents.
Over 15 and not exceeding 20.....	12 cents.
Over 20 and not exceeding 25.....	15 cents.
Over 25 and not exceeding 30.....	18 cents.
Over 30 and not exceeding 40.....	20 cents.
Over 40 and not exceeding 50.....	25 cents.
Over 50 and not exceeding 75.....	30 cents.
Over 75 and not exceeding 100.....	35 cents.
Over 100 and not exceeding 100.....	40 cents.

A single money order may include any amount from one cent to one hundred dollars, inclusive, but must not contain a fractional part of a cent.

Affairs are Well Managed.

During the last campaign, the Republican cry was that the country would be ruined, if the Democrats got control of affairs.

The people didn't believe it, and the Democrats have been in power now for about sixteen months.

What is the result? Rain? No.

During this period of Democratic rule, the Treasury receipts have increased \$30,000,000 over those of the last sixteen months of Republican rule.

And that's not all. The expenses of the government for the same period were \$15,000,000 less than they were for a similar period under a Republican administration.

Who could ask for a better showing?

It's a total saving of \$45,000,000, or a saving of nearly one dollar to each man, woman and child in the United States, a sum almost equal to the amount required under a Democrat administration before the war to run the entire expenses of the Government.

THE LUCKY MAN.

The Holder of Ticket Number 81,875 That Drew the Capital Prize in the Louisiana State Lottery.

Since it was announced that one-fifth of the ticket No. 81,875 was the capital prize in the last drawing of the Louisiana State Lottery was held in our city, excitement has run high. The lucky man is the young book-keeper in the wholesale grocery house of Comer & Trapp, and yesterday he was met with hundreds of congratulations. "When I saw that I was the possessor of the right number my joy knew no bounds. I at once determined to go to New Orleans myself and get the money. This I did. I presented my ticket to the lottery company, received a check on the New Orleans National Bank and secured my money and returned home, via Montgomery. The money, \$15,000, is now on deposit in the bank of Cooper & Co. I am still with the house of Comer & Trapp, and have not yet decided as to my course in future." Mr. Jones is an excellent young man, a first-class business fellow and has numerous friends who are gratified at his good fortune. —Anniston, (Ala.) Watchman, July 22.

CAPTAIN J. W. WILLIAMSON'S LUCK AGAIN.

As there have been various rumors, etc., about Captain J. W. Williamson drawing \$15,000 in the Louisiana State Lottery, we again accosted the good-natured Captain on the subject while on our streets last Saturday. The Captain is a prosperous farmer of Willow Grove, this county, and before the June drawing of this well known lottery, something seemed to tell him that he should make a small investment which he did by handing Johnny Rodel, the clerk of the steamer Valley Belle, a couple of dollars with instructions as above—not knowing any other living man in the transaction. When Rodel got to Middleport, Ohio, he added three dollars to the above amount and forwarded it to the company and in due time received five tickets, two of which he handed to Captain Williamson, one of these being No. 18,145, which entitled him to one-tenth of the capital prize of \$150,000, and which amount he has received through the Bank of Ravenswood, W. Va., from M. A. Dauphin, New Orleans, La.—Ravenswood (W. Va.) News, July 21.

Among the wedding presents of a Kentucky editor was a pocketbook. He is said to have taken a friend aside to ask him what the blamed thing was used for.

OUT OF WORK.

For That Reason William Morris Puts a Bullet in His Heart.

CINCINNATI, Aug. 3.—For the past three months William Morris, a painter, residing with his family at Court street and Central avenue, has been out of work. With every day's ill success at obtaining work, Morris grew more despondent and morose. His idleness preyed on his mind until he became almost frantic. The culmination came this morning at 7 o'clock, when he seized his revolver and fired a bullet into his breast.

The wounded man was removed to the hospital, where it was found that the bullet had entered the left breast precisely at the point of the nipple. From all indications the wound is fatal. Morris is a German by birth and sixty years of age. His family consisted of a wife and two daughters. Both of the latter are grown, one being married.

Wapakoneta Liquor Dealers Retaliate.

WAPAKONETA, O., Aug. 3.—The question of what is a proper observance of the Sabbath day, which has received considerable agitation here of late, through several ineffectual attempts of the saloon men to induce the town council to pass a Sunday opening ordinance, came to the front again by the action of the Liquor Dealers Protective league, in serving notices upon the hotels, livery stables, cigar stores, restaurants and all other places of business to keep closed or be prosecuted. The liquor men say that they intend to strictly enforce the law against the performance of common labor on Sunday, and it remains to be seen what success they will have.

The Mexican Revolution.

BROWNSVILLE, TEX., Aug. 3.—The organ of the revolution, published here, says: "From various sources we learn that Lieut. Col. Amado Saldaña yesterday occupied Burgos, and Lieut. Col. Pedro Davila entered the town of Cruces, both at the head of respectable forces. At Lelera, San Carlos and Santa Barbara have appeared new parties of revolutionists. Late last night the officers in deposit left Matamoros for the front, because there are no troops to oppose the rebels, who each day are stronger and more numerous. Diaz and Gonzalez, handily and peacefully, if you don't care to ascend the steps of a gibbet, pack your trunks."

A Gas Explosion.

ELIZA, Pa., Aug. 3.—A frightful gas explosion occurred at Eliza, Pa., where Mr. Edward F. Kingsley and his son John spent the day, while passing a new gas well in course of drilling, stopped to examine it. As they opened the door the lantern which Mr. Kingsley carried, ignited the gas and a terrific explosion occurred. The derrick was torn to pieces and Mr. Kingsley and his son covered with flames. Their cries attracted the attention of neighbors who found both almost roasted to death and insensible. They cannot live and their dissolution is hourly expected.

Woman Suffrage in New York.

NEW YORK, Aug. 3.—The Columbia Jurist of this city, publishes a letter from Judge Philip J. Joachim to Mr. Hamilton Wilcox, concurring in the latter's opinion that women are not excluded by the state constitution from voting and that the legislature has no power to exclude them.

Killed by a Boiler Explosion.

PARSONS, KAN., Aug. 3.—The boiler to a threshing machine engine, while in operation on a farm a few miles southwest of this city, exploded. Frank Frasier, the engineer, was instantly killed, several others badly injured, and the machine and grain stacks were consumed by fire.

Tennessee's Debt.

NASHVILLE, TENN., Aug. 3.—The comptroller has so far found \$2,000,000 Tennessee bonds at par and 6 per cent interest, and \$1,000,000 at 10 per cent, and the dollar and 3 per cent interest. It is believed that there is not now outstanding and not funded \$3,000,000 face value. When the entire list, which has been found, will present a total indebtedness of \$18,000,000, on which interest will be promptly paid on maturity.

Do You Know

Most Excellent.

J. J. Atkins, Chief of Police, Knoxville, Tenn., writes: "My family and I are beneficiaries of your most excellent medicine, Dr. King's New Discovery for consumption; having found it to be all that you claim for it, desire to testify to its virtue. My friends to whom I have recommended it, praise it at every opportunity."

Dr. King's New Discovery for consumption is guaranteed to cure coughs, colds, bronchitis, Asthma, croup and every affection of throat, chest and lungs. Trial bottles free at J. C. Pecor & Co. Drug Store. Large size \$1.00.

An Old Citizen Speaks.

Mr. J. M. Norris, an old resident of Rome, Ga., says that he had been badly troubled with kidney complaint for a great many years and with eczema for three years; at times could scarcely walk and had taken many remedies without benefit, until he began taking Electric Bitters and anointing his hands and feet with Bucklen's Arnica Salve. This treatment afforded him great relief and he strongly recommends Electric Bitters to all who suffer with kidney complaints, or need a Blood Purifier. Sold by J. C. Pecor & Co.

What Can be Done.

By trying and keeping up courage many things seemingly impossible may be attained. Hundreds of hopeless cases of kidney and liver complaint have been cured by Electric Bitters, after everything else had been tried in vain. So, if you think there is no cure for you, try Electric Bitters. There is no medicine so safe, so pure, and so perfect a blood purifier. Electric Bitters will cure dyspepsia, indigestion of all kinds, and all diseases of the kidneys. Invaluable in affections of stomach and liver, and overcome all urinary difficulties. Large bottle only 50 cents at J. C. Pecor & Co's.

A Question

Often asked, but seldom answered satisfactorily: "Is there a remedy known to the medical profession that will allay the sufferings peculiar to women who are subject to Dysmenorrhea and its attendant discomforts?"

Ladies

If you have not tried it, do so AT ONCE. There is relief for you; it has been found in

Tongaline

Read what an eminent physician has to say upon

"I have derived particularly gratifying results from the use of Tongaline in cases of Dysmenorrhea. In the case of a lady of domestic condition, and a chronic sufferer from this disease, who had been formerly treated to very much by the use of medicine, her sufferings, after she had been treated by the use of Tongaline, have been almost entirely relieved. It is a most valuable remedy, and one that I could mention other instances of a similar character, but this is a remarkable one." T. FRAZER, M. D.

Mr. Ansell has one of the largest stores in New Orleans, is perfectly reliable, and all goods will be sold under a full guarantee. Mr. Ansell has deposited \$500 in the State National Bank as a guarantee that all goods are as represented for money refunded. This fine stock will be on exhibition Wednesday. Sale to continue every night until this large stock is sold out. J. Rankin, Auctioneer. 1t

VICTORY

Perches Upon the Democratic Banner.

The Nominees All Elected by Handsome Majorities—Kickers Get Left, but Leave Evidence of Mean Work.

"WE ARE HERE TO STAY."

The election in this county yesterday was one of the quietest ever held. No disturbance, whatever, have been reported. If any bad feeling prevailed it was manifested alone by the votes cast. Some "kicking" and "scratching" was done by a few of the disaffected, but the Democratic ticket went through by handsome majorities. The Republicans centered their strength and made a determined fight for three or four of the county offices. They did their best, but met with their usual fate. Complete returns are not yet in. Below we give the vote, where any contest was made on the county ticket:
